Q&A

Why is employee participation important?

As an employee, you are our most valuable asset – both for the job you do and for your support of Mercy Medical Center. Employees who give inspire others to give, not only your fellow employees but the community at large.

How much of my dollar actually goes to the program or service provided?

100% of your gift to the Foundation goes toward enhancing equipment, programs, and services at Mercy.

I am on a tight budget, how can I afford to give?

Every gift counts. Even a modest gift per pay period helps provide vital services to people in need in our community. By giving through payroll deduction, you can spread your gift throughout the year.

Is my gift tax deductible?

Yes. Contributions to the Mercy Foundation are tax deductible to the full extent of the law. You will receive an end-of-year statement for your tax records.

I am a contract employee, how can I give?

You can still donate to the Foundation as a contract employee. You can give a donation by cash, check, or set up a monthly donation schedule with your credit card.

Can I change my deduction at any point in time?

Yes, you may change or stop payroll deductions at any time. If you would like to increase or decrease the amount of your gift, you will need to complete a new contribution form. To receive a new contribution form, please contact the Foundation Office. If you wish to discontinue payroll deduction, please notify the Mercy Foundation in writing. Changes to your payroll deduction will start in the month following your request.
